

The holidays are upon us ready or not! During this stressful year of COVID with shutdowns and pull backs of all the traditions we know and love, including our inability to worship together with our parish families, things are **VERY DIFFERENT!**

However, the needs of those we serve in our pantry are ever present. This year our ***Outreach Pantry is teaming with the Arts and Environment Ministry*** to provide for the clients who visit to our pantry.

Listed below are some ideas about how you can help us during these trying times!

The Outreach Pantry is always in need of paper products:

Toilet paper

Paper towels

Kleenex

Toothbrushes and toothpaste

Shampoo

Shaving supplies

Bar soap, dish soap, laundry detergent

Cleaning supplies

Clothing items are so very appreciated during this time as well. Purchases of items for adults and children will be distributed in the pantry. Ideas include:

Warm pajamas

Socks

Underwear

Gloves/mittens, hats and scarves

Sweatshirts

The above items can be placed unwrapped in the worship areas of our Litchfield, Lodi and Seville worship sites. **THANK YOU** for your generosity!

HAPPY HOLIDAYS TO ALL!
