

# St Joseph Food Pantry Report 2018

Year	Patrons Served	People Helped	Bags Dispensed
2018	2,261	4,126	3,166

## Highlights:

- To supplement the food from Mississippi Food Network, we spent just over **\$29,000** at Vowell's.
- Large food donations in 2017 were received from: **United Way of North MS, Annunciation School, Emmanuel AWANA Youth, Boy Scout Pack 127.**
- **Parishioners & Knights of Columbus** continued to strongly support SJFP with financial donations and a steady supply of food every month in the baskets at the back of the church.
- Numerous volunteers from St. Joseph, other churches and organizations provide essential volunteers **(25-30) help every month** to pick up & store food, setup, bag & distribute food, interview patrons for eligibility, and maintain records. **This ministry would not be possible without our volunteers!**

## Homebound Volunteers:

- Thankful for the **19** drivers who delivered **473** bags of food to our **homebound patrons**, and Barbara Clynch for managing this part of the SJFP ministry.

**Thank you on behalf of the patrons receiving food assistance for your strong support of St. Joseph Food Pantry!**
