

Inclement Weather statement from St. Raphael Catholic Church

In the event of inclement weather on weekdays, the **parish office** follows the delayed start and closing policy of St. Raphael Catholic School and Preschool.

Although we will always attempt to follow our regular Weekday and Weekend **Mass schedule**, out of concern for safety it will from time to time be necessary to cancel all campus events including some Masses.

We will post closings and delays in a variety of places; WRAL News website www.wral.com and TV, the home page of our website www.saintraphael.org and our parish main greeting available by calling **919-865-5700**. We will post this information by 6 AM on affected days, or as soon as possible for unexpected weather conditions.

Our facilities management staff will be proactive and distribute salt in the parking lot, walkways and entrances and remove snow to the best of our ability and resources when possible. But as always, we hope you will **err on the side of caution** and exercise safety as you consider traveling to our campus on icy or snowy days.
