

# ST. AGNES PRAYER TREE

## April 2021

- Blessings and healing for all who have the Coronavirus. Continued blessings and protection for all those on the front lines and all those who are working to support us.
- For the continued distribution of the COVID vaccine, that it will quickly reach those who are in immediate need. Patience for those waiting for the vaccine. That the vaccine will be successful in getting the virus under control with no side effects.
- Continued blessings and guidance on decisions regarding school attending vs remote strategies and adjustments as needed. Protection for teachers, students and staff. That the quality of children's education does not suffer due to confusing times and different teaching methods.
- Continued blessings on churches, that the Holy Spirit continue to guide the decisions and implementation of opening. Patience, understanding and cooperation of parishioners. That virtual options reach and are accepted by those who are not able to attend mass in person.
- Continued blessings, protection and direction as businesses continue to reopen or have to revert back to previous phases, that businesses and people will use common sense and follow guidance as directed.
- For peace, safety and unity in our country. Healing of anger and division. That the Holy Spirit will guide decisions to be made in the best interest of the people in this country.
