

OAKLAND DIOCESE CYO CROSS COUNTRY NAME TAGS / PARISH CODES FOR NAME TAGS

Each participant must wear a Name Tag with: his/her First AND Last Name, Parish/School Team, Grade Division, Gender and Color Group clearly indicated. Teams must use the designated codes (below) for parish/school names. Nametags must be color coded to indicate the color group competed against in the round robin schedule for that meet. Teams should bring their own tags but some will be available at each meet. Nametags should be 1-1/4 " or less in height.

The following is a guide to the short-forms for parishes/schools that may be competing this year - this is how the school names should appear on the runners' labels and in the "school" column on the race results pages. This will greatly aid in producing accurate results!
