### **CONSENT FORMS**

All Forms must be filled out at the beginning of every SPRED year prior to joining the SPRED Center. A copy must be filed with your SPRED center and with the diocesan administrative office. This ensures that the office has a proper enrollment of who is participating in the ministry and in the parishes. These forms include but may not be limited to; the Participant Form, Catechists form, Video & Photos Release form, and other forms that may be requested by your parish.

### **MEDIA**

Pictures and videos taken at any SPRED event may be used for online content, official printed publications, training materials and animation (recruitment/promotion of ministry) to support and publicize the SPRED ministry with the consent from catechist and participants. There is a Video & Photos Release form to give or deny consent of these images. SPRED follows the “Guidelines for the Pastoral Use of Technology and Social Media” provided by the Diocese of Oakland (February, 2014).
