

INTERESTED IN BECOMING A SERVER?

St. Veronica Parish is looking for people who are interested in joining the Server Ministry. Being a server is a great way to become more active in the parish and learn more about the church. Servers will have the opportunity to serve at masses on the weekends and during school hours. They will also be able to help out serving for special occasions at church.

To become a server, applicants must complete at least 2 training sessions at the church. There will be 8 training sessions and applicants can pick any 2 which will fit their schedule. Once the training sessions have been completed the servers will be eligible to begin serving masses. Typically there will be 4 servers assigned to each mass and new servers will be paired with experienced servers to gain confidence.

Serving is a great opportunity to instill a sense of responsibility in children and is designed for those in 5th grade and above. Parents are also encouraged to join their children in becoming servers.

To join the Server Ministry simply fill out this form and return it to the Parish Office or put it in the collection basket at any mass.
