- Angie will coordinate the festivities

UPCOMING BOOSTER DECISIONS: OFFICER POSITIONS, BYLAW PROPOSALS

- Bylaw proposals are considered in February for vote in April – any consideration of bylaws should be handled by Dave (VP)
- Officers with terms ending: VP, Boys AD, Parish Rep, Treasurer, Recording Secretary
- Nominations are made at the March meeting, vote at April meeting
- We will need to communicate about open positions after DMO and all need to be working to identify replacements for existing positions

SPRING SPORTS: BOYS VOLLEYBALL AND TRACK

- Boys Volleyball
 - Need to get volleyball registration out this week and close on Feb. 9th
 - We've received an email from IHM regarding partnering with them on some of the teams
 - Practices can begin Feb. 17th
 - Games begin March 7th
 - Booster Fee/Registration Fee are both \$75 – Laura will update and send flyer into Denise for newsletter, send to Angie to get printed
- Track
 - We've gotten a little bit of interest regarding track. We've had a few people indicate interest, but nobody has stepped up to volunteer to coach.
 - We do still have a good partnership with IHM to send kids to participate
 - Laura - create a flyer that can be handed out about recruiting and coaching – See email that went out via email; deadline to January 26; send interest to Rob or Angie
