A full calendar for next school year will be sent out in the summer REP newsletter and posted on the Parish website.

We look forward to celebrating this past year with our REP families on May 13th the last day of REP. Each class will share something they have learned this year and we will say goodbye to our 8th graders. Please join us.

We pray you will have a safe, happy and healthy summer. Keep in mind you can always contact us with questions, concerns or comments regarding the REP program. We can be reached via email, or phone at (513) 688-3155.

Please consider joining us for Vacation Bible School this summer, July 13-17! We have a really cool program planned called "Rocky Railway: Jesus' Power Pulls us Through"! Children ages 4 through entering 4th grade can participate. Children entering 5th grade and up as well as older siblings and VIRTUS trained adults can volunteer to help. It is a fun-filled week for participants and volunteers alike. You can register and pay online now through June 1st. Just visit www.stveronica.org click the Faith Formation tab, and then select Vacation Bible School.

Please continue to pray for our students, catechists and volunteers throughout the summer until we come together again in September.

Sincerely in Christ,
