## The Liturgical Year

Mass Plus is an opportunity for adults to grow in their faith. This short gathering on the second Sunday of each month gives a chance to look more deeply at the ways we practice our faith.

This year we will explore the liturgical year. Come occasionally or make a plan to join in all 10 gatherings. Stay after 9:30 Mass or come early for 11:30.

- **50 minutes**
- **Between 9:30 and 11:30 Masses**
- **Once a month, 2<sup>nd</sup> Sunday**
- **Presentation and informal discussion**

You may also participate by Zoom

### Why a Liturgical Year?

We begin on **Sept 12** with a look at the **Liturgical Year in general**.

What is the liturgical year? Why do we observe all these feasts and seasons? Are these just anniversaries? What changed after Vatican II?

Join us and gain a deeper insight into why we do these familiar Catholic things.
