*May the Lord be with you!*

December 16, 2018

Greetings to all our Extraordinary Ministers of Holy Communion,

This is the new schedule for the winter and early spring dates.

Welcome Cindy Kubeczka, returning to serve! Becky Klare will miss this cycle.

1. Get trained, renew and recharge! See our Church bulletin for details. Sign up to the workshop. Sign-on the internet to get email reminders and classes. Form an outing with others! Invite our parishioners that the Lord may be calling.
2. Honor your scheduled dates/time. Your continued realization of the promise to this most holy sacrament is vital to the Lord's work. Put your scheduled dates on your calendar right away. Come prepared at each mass to serve.
3. When you are scheduled to serve, and cannot, let someone know. Write on the sign-in schedule, the confirmed name of substitute. Offer to reciprocate.
4. When you are scheduled, sit closer than normal to the Tabernacle and make haste to line up for communion. The mass is at its fullest! Promptness is key.
5. When assigned as Captains, sit near the Tabernacle. Ready to assist Father prepare communion. That is essential as Captain.
6. **Captains,** when receiving the ciborium in your hands from Father after the Communion, to return to the Tabernacle, raise it, then turn towards your right! Walk with care, for parishioners to adore, as you return to the tabernacle. Genuflect (bow) as when giving and receiving the Ciborium with Father.
7. Please update your phone and email address with the church office asap.

So that His love, shines upon all of us."!*

Yours-in-Christ,
