

Dear Families and Community Members,

I feel honored by the invitation to humbly serve as the newly appointed principal of St. Ambrose School (SAS). I express gratitude to Father Hieu for giving me the opportunity to lead a school with such a rich tradition of excellence in education! Personally, with a dedicated ten years in education, I served as a teacher, assistant principal, coach, mentor and principal to my beloved students. My most recent administrative experience occurred in Galena Park, TX, where I served as a Principal in a PreK-8 Catholic school. I am thrilled and eager to bring my skills and abilities as a Catholic educational leader to the SAS community and work with you as a partner in education to ensure the success of your child.

Along with the faculty and staff, I will work hard to continue and expand the legacy of success established by SAS by building strong relationships with parents, students and community partners. As the core of my beliefs, we strive that everyone commits to following the model of Jesus as a servant leader in the way that we at SAS will lead, interact and serve. By our acts and thoughts of compassion, love and understanding, we will create an environment where our students, families and staff feel safe, encouraged and welcomed. Academically, we will focus on character education initiatives, TEKS and standards, data-driven instruction and decisions, technology integration, and providing the consistent implementation of a rigorous curriculum in order that we set a solid foundation for the academic readiness of our students.

As your Principal, it is important to me that everyone who steps through our doors--teachers, students and parents--feel a rush of joy and desire to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open, and I value your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to help each student at SAS meet their goals and have a successful school year! GO HORNETS!!!

Best Regards,
Khanh Pham
