

## Good morning Catechists and Parents:

We wanted to alert you that along with the school closings for classes, we will be canceling all on-site Religious Ed Programs until April 19, 2020. We are originally scheduled off for Holy Week (April 5-11) and Easter Week (April 12-18) and will continue to have those weeks off. For those who are interested in having your children work online at our Flourish site for the Be My Disciples lessons, please let me know and I can get the information sent to you so they can cover the missing material.

For the Blessed First Communion Prep, I will be sending out information Next week how we will complete the prep and stay on track for May 2, 2020 Sacrament.

Those of you who have 7 & 8 grade Chosen Students, Those on-site classes are also cancelled. Emily and Marie will be sending a follow up email later today with those details.

Thank you for your patience. We pray that these efforts will keep all families safe as we go through the rest of the flu season. Please don't hesitate to reach out if you have any questions or concerns.

Blessings,

Mary Alice Hurst  
Interim Director of Religious Ed
