

Augustine Institute Catholic Video Bible Study Presented by SJN Adult Faith Formation Two Options: Online and In-Person

Although the Eucharist appears to be simple bread and wine, it is actually the "source and summit" of the Christian life.

This four-part program explores the truth and beauty of Christ's real presence in the Eucharist, from its origins in Sacred Scripture, to its profound role in the life of the Church and her members. It is the crescendo of the entire story of salvation.
