- Slopes are **closed for grooming between 5:30 and 6:00**.

#### Rules:

- There will be spot-checking for the lifts. If a student is on the wrong lift they will be warned by having the corner of their lift ticket torn and directed to the proper lift. If a student is found on the wrong lift a second time, they will have their entire lift ticket removed and lose their skiing/boarding privileges for that evening. Please note that we have been advised that this will be strictly enforced by Alpine.
- No outside food or drink, including but not limited to: pizzas, sack lunches, crock pots, etc. Food is available for purchase at Alpine. Violators are subject to \$100.00 fine assessed by Alpine Valley.
- St. Patrick School requires all of our ski club participants to wear a helmet for their safety.
- **Parent Volunteers are NOT out on the hill with the kids.**
- **No child under 18 should be left alone and unsupervised.**

#### Patch Program:

- The Patch program is for children 6-18 yrs old. Students under six years are not allowed in the Patch program. There are no exceptions and this is strictly enforced.
- To participate in the patch program, returning students at the beginning of each season are required to retake the last level earned. This is a review to assure skills required for that level have been retained. Afterwards successful attestation, please purchase the current year patch for \$2.00.
- Students just entering the patch program must begin at beginner hill.
- Upon achieving the skill level of the lesson taken, students are required to bring their grading card to the Instruction Center Desk and purchase the patches for the skill level achieved in the lesson **This patch determines which slopes and lifts the student is allowed to ski/snowboard on.** The student will also receive a progress card that will get punched when patches are purchased. These cards must coincide with the patches.
- Each student must wear all the patches they have earned, not just the patch for their current level. Patches are to be worn on the jacket, and either sewn directly to the jacket or on an armband that can be purchased in the main office or at the Instruction Center Desk for \$3.00 each. **Students without patches (forgotten or lost) will only be permitted on the beginner hill.**
