TREASURES FROM OUR TRADITION

This month, parishes around the country will conduct the "October count," a measure of attendance at Sunday Mass. The measure has been taken for many centuries, and in some European dioceses it is possible to measure the level of engagement in worship by the population over the course of many centuries. Long ago, it was also the custom to track "Easter duty" by a statistical report. Penitents would receive a kind of chit at confession, which they would then turn in at their parish church when they received Holy Communion during Easter time. Long ago, of course, Communion was fairly rare in the life of a Catholic Christian, perhaps only once a year. The chits would be tallied by parish priests and reported to the chancery, which in turn would hold on to the records and include the statistics in a report to the Vatican every five years. Nowadays, the October count has proved especially critical in the life of our Church as bishops use the figures to measure the vitality of church life, to sketch parish boundaries, and even to decide when to close, merge, or form new parishes.

GRATITUDE Surely we can all recall at least a few days in our lives when things were going so well that nothing could put us in a bad mood. Maybe it was the day a very special person asked us to the senior prom, or perhaps it was our wedding day. Maybe it was the day we learned that we were expecting a long-awaited child, or the day we got an overdue promotion. There was elation in our hearts and lightness in our step, an extraordinary vitality throughout the day. We probably got on the phone right away to tell at least a few key people about our good fortune. This is surely how Naaman and the leper must have felt when they were rid of their terrible diseases. They were hard-pressed to contain their gratitude, and although they were both unfamiliar with the customs of a foreign land, they had the good manners to thank the people responsible for their cures.

Prayer Vigil at Planned Parenthood in Fairfield on their 100th Anniversary

On October 15, pro-lifers across the country will confront Planned Parenthood with the power of prayer on their 100th anniversary. Planned Parenthood was founded in 1916 when Margaret Sanger opened her first birth control clinic. Planned Parenthood is now the nation's largest abortion chain. Here in Fairfield, faithful pro-lifers will gather for a Candlelight Vigil outside Planned Parenthood to pray for an end to abortion and for the conversion of all those cooperating with Planned Parenthood and their abortion agenda. Similar prayer vigils will be held at Planned Parenthood facilities across the country.

- Event: Planned Parenthood 100th Anniversary Prayer Vigil
- When: Saturday, October 15, 6 pm to 7 pm
- Where: Public right of way in front of Solano Mall in Fairfield

More Info: Call Cathy at 707-688-6551 or respectlifeolmc@aol.com

Note: *This is not a protest, but a prayer vigil. Families are encouraged to attend with their children, and people of all faiths will be welcome to join in the prayers.*
