TREASURES FROM OUR TRADITION

We've seen how the rescue of Eucharistic Prayer II from the mists of history changed the style of our prayer, introducing a sleek simplicity to the prayer said aloud by the priest. Remember, before the reform of our prayer in the late 1960s, the priest whispered the words of the Roman Canon, Eucharistic Prayer I. His voice was not amplified, his back was to the people, who could only tell what was going on by a shift in his posture as he bowed and genuflected and as bells were rung to indicate his progress through the prayer. With the emergence of the new prayers, some feared that the old prayer would be lost forever if it weren't somehow changed. The reformers asked that it be streamlined a bit by omitting the repeated "Through Christ" at the end of various intercessions, and trimming the list of somewhat obscure saints. The new edition therefore brackets parts of the two lists of saints in the prayer, unfortunately dropping all the women from the second set. The decision was also made to keep the Lord's words at the consecration exactly the same in every Eucharistic Prayer, although there is precedent for more variety. On November 2, 1968, Pope Paul VI signed off on the plan of the new Mass, and by April 1969, the publication of the revised order of Mass was announced.

Perpetual Eucharistic Adoration

Christians should make expiatory supplications and prayers, prolonged for a whole hour, which is rightly called a "Holy Hour." ~ Pope Pius XI
