TREASURES FROM OUR TRADITION

In medieval times, one country, Scotland, linked its economy to the liturgy. Four holy days of the church calendar were keyed to the legal year. On these days, rents were due, clergy and servants were paid, and contracts and leases would begin or end. The term days were Pentecost (called Whitsunday), the Feast of Saint Martin on November 11 (Martinmas), the Feast of the Presentation on February 2 (Candlemas), and August 2 (Lammas), a harvest festival. On Lammas day, the first loaf of bread from the summer wheat harvest was given to the village priest. After the Reformation, which swept the Catholic festivals away, the term days were gradually detached from the old feasts. It was only in 1990 that the term days were anchored on the 28th of February, May, August, and November. Today the old Scottish universities are the last hold-outs, still naming their terms or semesters after the old festivals. Scottish students today may not know about the liturgical year, but they still call the fall term Martinmas, and the spring session Candlemas.

Respect Life Corner:

Our California students are currently working to oppose SB320, a California Senate Bill that would mandate all Universities of California and California State Universities distribute the abortion drug, RU-486, on campus. If passed, this bill will turn our schools into abortion facilities, furthering the attack on the sanctity of human life and putting women in great danger of the serious side effects of these drugs. Help stop this bill, defend the pre-born, and promote a culture of life.

If you did not sign the petition, you can go to NOCAMPUSABORTIONS.COM to sign the petition.
 We need your help . . . at least 25,000 signatures are needed to stop this bill!
