## Perpetual Eucharistic Adoration Adorers Needed

\* Wednesday 3-4 AM and 4-5 AM

\* Tuesday 11-12 PM

OLMC's St. Therese Chapel is open 24 hours, 7-days a week!  
Our goal is to have 2 or more committed adorers every hour. Please call the Parish Office for more information, (707) 422-7767.

## TREASURES FROM OUR TRADITION

The origins of today's solemnity lie in thirteenth-century Belgium. In those days, people seldom received Holy Communion, and never from the chalice. A nun in a troubled convent, Juliana of Liège, devoted her life to stirring up love for the Eucharist, lobbying for a feast day to honor the Blessed Sacrament with Masses and processions. Juliana may have been inspired by the Ascension Day processions in nearby Bruges. Crusaders brought a treasure home to Bruges from Constantinople in 1204: a reliquary said to contain a cloth from Joseph of Arimathea with which he had helped prepare the body of Jesus for burial. The stain on the cloth was said to be the holy blood itself, and so the people of Bruges built a great basilica to house the relic. Bruges became a great center of pilgrimage because of this treasure, and the procession of the Holy Blood is still one of the greatest festivals in Belgium today. The bishop carries the relic through the narrow streets, and the people wear medieval costumes and act out scenes from the Bible.

**Success ~ "In God's eyes, success as a wife and mother, or as a husband and father, is far more important than success in a career."**

If you would like the faith community of OLMC to join you in prayers for special needs, contact the Parish Office at 422-7767. We do occasionally take some names off of the list in the bulletin. If we have taken a name from the printed list of a person still in need

of prayers, please give us a call and we will happily put him or her back on. Please take some time this week to remember the following in your prayers:

- For all in our parish family who are suffering serious or terminal illness
- For Men and Women in Armed Forces and for
