TREASURES FROM OUR TRADITION

Over the centuries, the Church has demonstrated a wonderful ability to adopt a culture's favorite symbols and customs and assign them new meaning. Easter eggs have a very ancient pedigree: nature's perfect package, emblem of new life, dyed and decorated and given as gifts in ancient Egypt, Rome, China, and Persia. Just as the long hard winter is over, the egg bursts with promise of life and nourishment. Long ago, Christians came to see the egg not as a symbol of spring's rebirth, but of ours, and as a sign of Christ's tomb. A Polish legend says that Mary, in compassion for the soldiers at the cross, gave them eggs, but that her tears stained their shells with brilliant color. Legends have their origin in tales told around a hearth, but they often contain a profound truth. The idea of Mary, the first Christian, engaged in a merciful act of forgiveness and tenderness even in the shadow of the cross, describes the age-old wish that Christ "Easter in us."

If you have to choose between being kind and being right, choose being kind and you will always be right.

We remember you . . .

O risen Lord, firstborn
 of the dead. Your
 resurrection destroys the
 power of death and

changes tears
 of agony into
 cries of joy.

Blessed are you!

*Happy Blessed
Easter!*

Christ is Risen!

"Why do you look for the living among the dead? He is not here, but has risen."

~ Luke 24:5

This is the message that sustains our hope and turns it into concrete gestures of love. How greatly we need to let our frailty be anointed by this experience! How greatly we need to let our faith be revived! How greatly we need our myopic horizons to be challenged and renewed by this message! Christ is risen, and with him our hope and creativity rise, so that we can face our present problems in the knowledge that we are not alone. To celebrate Easter is to believe one more that God constantly breaks into our personal histories, challenging our "conventions," those fixed ways of thinking and acting that end up paralyzing us. To celebrate Easter is to allow Jesus to triumph over the cowardly fear that so often assails us and tries to bury every kind of hope. Now the invitation is addressed once more to you and to me to break out of our routines and to renew our lives, our decisions and our existence. Do we want to share in this message of life or do we prefer simply to continue standing speechless before events as they happen? ~ Pope Francis

within me during this lent?**
