## TREASURES FROM OUR TRADITION

We owe today's beautiful feast to a valiant woman who suffered a great deal to establish a feast out of her love for the Eucharist. Juliana was a nun in Belgium in the thirteenth century. She served in a hospital for lepers. She became convinced through her prayer that the liturgical year was incomplete because it had no feast for the Eucharist. Her efforts were not welcome, and a supervising priest sought to punish her for promoting a feast that "nobody wanted." He even had her accused of financial mismanagement and banished her from her convent. Shortly after she was exiled, the bishop approved the feast. It quickly spread through Europe. In those days, people very seldom received Holy Communion, and so the processions through the streets with the eucharistic bread not only led to an awareness of Christ's hunger to be with us, but prepared the way for a deeper desire to receive Christ's Body and Blood in more frequent Communion. The feast grew rapidly, but Juliana disappeared into poverty and a hidden life. She ended her days as an " anchoress," a woman living in seclusion in a room attached to a parish church. Imagine her delight at seeing us gathered at the table of the Lord on this day, aware of Christ's presence in our midst, sharing fully in Christ's Body and Blood. Our celebration today invests her struggle and sorrows with dignity and meaning.

If you would like the faith community of OLMC to join you in prayers for special needs, contact the Parish Office at 422-7767. We do occasionally take some names off of the list in the bulletin. If we have taken a name from the printed list of a person still in need

of prayers, please give us a call and we will happily put him or her back on. Please take some time this week to remember the following in your prayers:

- For all in our parish family who are suffering serious or terminal illness
- For Men and Women in Armed Forces and for
