Dear Sisters,

This past year has been a very busy one for our Institute. I would like to thank all those that chaired an event or committee to make it all happen. Thank you for stepping up because without you, we wouldn't have looked so Great!!

Fundraising and membership will be my president's program this year. Attending convention I noted that 54 Institutes increased their membership. 180 new members were added this past year. They said, "Ask, Believe, Receive". If all three areas, Vacaville, Vallejo/Benicia and Fairfield/Suisun bring in one member that's 3. Sisters, "We can do this".

Our working budget is dwindling. Let's think of ways we could fundraise. Plan an event, special project, any ideas please bring it to the table for discussion. We have to make money to give money.

The Grand President's Program is *PAWSitivity-Providing for Animals who Serve*. Let's consider some ways we may be able to help contribute to her program.

With the Lord's guidance we will have a successful year.

With Sisterly Love,

*Josephine Tydingco*
