

St. Elizabeth Commemorative Brick Campaign

Good afternoon, St. Elizabeth Families.

I have had several families inquire about ordering the commemorative bricks surrounding our school. I usually collect orders for these bricks throughout the year and put in the final order in June, so that the bricks can be installed before the start of the new school year. If you are interested in a brick for your family or to commemorate a loved one, please see the information below:

Paving the Way to the Future

Leave a lasting legacy at St. Elizabeth School and support our students by participating in the Commemorative Brick Campaign. The campaign was launched in May 2001 and the bricks were installed to create a beautiful, commemorative walkway in front of the lobby of the new section of the school. Your custom engraved brick(s) will be inscribed with your choice of sentiment or names, and added to the walkway. Think of how excited the children will be as they walk past their own name or that of someone they love. Sponsor a brick and have it engraved to your specifications. You can choose from two different levels of giving: a 4 x 8 Brick or an 8 x 8 Paver. Your brick or paver can be personalized with your choice of name or message, or dedicate a brick for a special occasion like Graduation, an anniversary, a birthday, or a memorial for a loved one. Bricks and pavers can be inscribed with scripture quotes, parish organizations or businesses.

You can now order these bricks online by following this link:

Thanks for your continued support and have a wonderful weekend.

Sincerely,

Sande Leffew
