THE RESURRECTION OF THE SON OF GOD

How do we know that Jesus was actually raised from the dead in bodily form? This course with Prof. N.T. Wright, The Resurrection of the Son of God, examines the extraordinary claim that Jesus of Nazareth was raised from the dead in a bodily fashion to appear in person to people

after his cruel death, crucifixion, and entombment. This journey will look at the ancient world's understanding of the afterlife from Jewish and Greek perspectives along with the implications of their understandings as it relates to the early Christian claim of the bodily resurrection of Jesus. New Testament documents will then be examined for broader understanding of resurrection generally as well as for specific information as it relates to the claim that Jesus was raised from the dead in bodily form. This course will meet for eight sessions, beginning Tuesday, **June 18** at 7 p.m. in the parish hall.

IGNATIAN EIGHT WEEK RETREAT IN EVERYDAY LIFE

This retreat mirrors the Spiritual Exercises of St. Ignatius of Loyola, but in an abbreviated format. Retreatants go about their everyday life, but commit to pray each day, following a guided structure of readings and reflections. We will gather weekly for these eight weeks to share the fruit of each one's prayer. Thursdays 7:00-8:30 p.m. ending **July 11**.

THIS WEEKEND'S GOSPEL: Luke 10:1-12, 17-20

Jesus sent forth seventy-two disciples to preach his good news, telling them "the harvest is rich, but the workers few." He also gave them detailed instructions on how to act towards the people. Jesus then reminded them not to be happy because of their power over evil, but to rejoice in the salvation they would achieve.

KEEP KIDS SAFE: KEEP KIDS SAFE- TECHNOLOGY TIPS GAMING GUIDELINES

Gaming is a popular pastime, especially for many boys. Most video game platforms have internet connectivity, meaning that kids can go online while playing games. This allows for chatting and website browsing. Here are some tips to help make gaming safer:

- Before allowing your child to play a new game, check ratings and reviews
- Use parental controls to restrict use to the ratings and features you approve
- Keep gaming systems in a public area of the home
- As with any technology, remind your child not to give out personal information
- Check out www.esrb.com, which provides additional tips and ratings information

For more information about child safety, visit www.catholicnh.org/safety.
