Jesus. They wanted to be close to him. For Jesus, children are some of the most important people in the world. Jesus told his disciples that people should love and trust God just like children love and trust their parents and other family members. **How do you feel when you hear that God loves you so much? What is a way to show thanks to God for the love that He has for you?**

7. As Catholics, we also belong to a big family. We belong to a parish, a community of people who believe in Jesus, who usually live in the same town or neighborhood. Our parish belongs to an even larger family known as diocese along with many other local parishes. As a parish we gather together as a family each week on Sundays to worship God, pray & grow in our faith, and share with one another our times and our talents. **What is the name of our new parish community? Who is the priest that leads our parish? Do you know which Diocese we belong to? Who leads our Diocese? If you don't know the answers, ask your families or another member of our parish for help!**

## Parent Question

1. As we hear in two of today's readings, family is a very important component to our faith. Jesus teaches us that we are called to act with compassion and love in our relationships. It is important that we make commitments to love others, especially those in our families. **How can you show your children this week that you are committed to caring for them?**
