to show how much they loved God. Very rich people would give the extra money they had to the Temple, but Jesus points out a very poor woman. This poor woman gives the last two coins she has to God. Jesus says she gave more than the very rich people who gave many coins. How can this be? It is because the woman gives all she has, while the rich people only give what they have left over. **Have you ever had some spending money? 7. We hear people use the word “church” all the time. The word church can refer to a building where we worship, but today we are going to be talking about the Catholic Church. The Catholic Church is much more than a building; it is something we belong to. Sometimes, we talk about the Church as if it were a club that we join and can quit whenever we feel like it. The Church is different from a club. The Church is a group that Jesus created Himself and loves very much! We are all a part of the Church, and the Church would not be the same without each and every one of us. **What is something you like about going to Church? Is there anything special you do at Church that you do not do at home or at school?**
