A Constant Reminder

As we navigate the ups and down of life, we can often forget that we are heirs of a new covenant with God. Especially when we are struggling, we can lose sight of the fact that Jesus has irrevocably bound himself to us and given us his Spirit to help us live a new life.

That's why God has given us a constant reminder of his covenant in the Mass. Think of how the priest says the same words that Jesus spoke at the Last Supper: "This is my Body... This is the chalice of my Blood, the Blood of the new and eternal covenant." Every mass is a personal letter from God to you – a reminder as well as an opportunity for us to experience the grace and blessings of our new covenant.

God has made a covenant with us. He has committed himself to removing our sins and to filling us with this grace. As we accept that grace and allow it to change the ways we think and act, we become his letter of love to the people around us.

So believe that God is working in you. It's part of his covenant promise to you. Every day, whether or not you feel any different, thank him for this precious gift.

Thank him for covenanting himself to you and making you into a letter that reveals his love and mercy to everyone you meet.

THE BISHOPS' CEMETARY AND MEMORIAL GARDEN

Bishop Howze's stone "ledger" is ordered. It will be a large slab with his crest and significant dates. Once his stone is in place and the statues of St. Peter and St. Paul and benches are installed, the landscaping will be done. We are still raising funds to finance the project and all support is appreciated.

If you would like to donate, you may drop money in the collection basket and it will be forwarded to the Bishop or you may mail your donation to:
