The Word Among Us Meditations – September 29

We all know that being a Christian means caring for the less fortunate. There are so many needy people that we can feel over-whelmed. And besides, most of us aren't policy experts with the know-how needed to lift people out of poverty. Even if we gave away all of our possessions it would hardly make a dent.

Remember too that God wants you to help those people who may not be lacking in material goods but are still "poor". As St. Teresa of Calcutta said, "There are many people in the world dying for a piece of bread, but there are many more dying for a little love." Your care and presence for these people are just as important. You can make a real difference!
