Did you know that each month has a traditional Catholic devotion? This year, let's focus on each devotion month-by-month to grow in our faith and traditions! Make yourself notes, write it on your calendar, and pray a specific prayer each day of the month to remember. You could use a prayer already associated with the devotion or pray a personal one.

February is dedicated to the Holy Family, Jesus, Mary and Joseph. They are often represented humbly in artwork. Even the glow around their virtuous heads is usually simple, at least when they are represented as the Holy Family.

They appear to be simple because not only are they humble, but holiness is also simple however difficult it is. They do not have complicated agendas to hide from each other, they harbor no ill will, they do not manipulate others to get their way, and they still to this day serve God by serving His people—us.

Not every family is perfect, and after the recently passed lively holiday season, our family dysfunctions may be fresh in our minds. We are called practicing Catholics because despite any dysfunctions in our families we still keep trying. Remember that even though Mary and Joseph lost Jesus for three days, they are still saints. Even if we feel like we've failed, we can still be saints, especially if we ask for the help of the Holy Family. Let's focus on our families and helping each other be holier.
