

# Number Fun

Number Fun is an after school activity for students in grades K-2 run by Mrs. Beck (3A) and Miss Golden (5A). This activity is for students who really enjoy numbers and math, but also for students who would like to practice their skills to get better at math! The students will sing songs, listen to stories, create math craftivities, and play games to practice different math skills such as number recognition, counting, adding, subtracting, and more.

Number Fun will be held in TWO separate sessions (see specific dates below). This allows us to reduce the number of children in the club at one time while maximizing the number of students who can participate overall. Each child may only attend ONE of the sessions.

## When?

Session 1: January 23, January 30, & February 6 (ALL THURSDAYS)

Session 2: February 13, February 20, & February 27 (ALL THURSDAYS)

## Time?

3:00-4:00 p.m.

## Where?

Mrs. Beck's classroom

Cost? This year, there will not be a fee to join Number Fun.

## How do I sign up?

Space is limited, and registration is on a first come, first serve basis. There are 25 spots available per session (a total of 50 spots). The link to sign up will be in the Option C Parent Alert on Thursday, January 9.

**Please note:** Sign-ups will close on Tuesday, January 14<sup>th</sup> at 9 p.m. After this point, you will not be able to sign up. This will allow us time to send home additional information and permission slips with each registered child. Feel free to email Mrs. Beck at [a.beck@archangelgabrielpgh.org](mailto:a.beck@archangelgabrielpgh.org) or Miss Golden at [mgolden@archangelgabrielpgh.org](mailto:mgolden@archangelgabrielpgh.org) with any questions.
