Dear Parents/Guardians,

We are very proud of how well the school is keeping everyone safe and symptom free from Covid-19. Part of the reason is that the school, the teachers, and parents are all following the CDC guidelines. Thank you to the parents who have traveled and have already been following the Covid-19 protocol. We appreciate everyone's effort to help keep our school safe.

Please let your homeroom teacher know when and where you are traveling. If you are planning a vacation or are traveling out of Pennsylvania, please refer to the restricted travel list that is updated every Friday. Please click on the link below.

We are aware that you planned your trip to a "free" state and that this may change upon your return. If the state appears on the list, your children need to stay home and learn virtually for 14 calendar days. Please contact Mrs. Militzer or Mrs. Corona and we will set you up to learn virtually. Please contact us if you have any questions.

Thank you,
Mrs. Militzer
Mrs. Corona, Virtual Learning Coordinator
