

Educational Improvement Tax Credit program

*Re-Direct Your Tax Dollars to
Provide Scholarship Funds*

ARCHANGEL GABRIEL
CATHOLIC SCHOOL

Help Archangel Gabriel Catholic School
by providing scholarships for families in need through
(Educational Improvement Tax Credit) program.

There's a program in the state of Pennsylvania that can provide significant scholarship dollars to Archangel Gabriel students through a redirection of PA personal income tax dollars, and we need your help!

Pennsylvania's Educational Improvement and Opportunity Scholarship Tax Credit Programs (EITC and OSTC) now offer a way for **individuals, in addition to businesses** to participate. You receive a tax credit and students who may not be able to otherwise attend AGS, will have an opportunity.

- ◆ Businesses must apply to qualify! If approved, they will receive a state tax credit equal to 75% of the donation for a one-year donation and 90% for a two year donation.
- ◆ Qualifying individuals will receive a 90% tax credit towards their PA taxes with a two year commitment.

Example - If you are to give \$1,000 to support Archangel Gabriel School?

If you qualify for this program, give \$10,000 and pay \$9,000 less in taxes. You are supporting changing lives with money you would have been spending anyway.

Supporting Catholic Schools is one of the best ways that the Church brings young people into a relationship with Jesus, while preparing them for life. Our schools provide spiritual formation that encourages virtue. Academic excellence leads to success in higher education. Please consider giving more families the opportunity to attend Archangel Gabriel Catholic School by participating or helping us find people who can.
