

## Archangel Gabriel School

### First Grade Summer Reading Assignment

Dear Parents,

Summer is a time to take a break from school, but we would like to encourage your child to read during this time off. Whether you are reading to your child or your child is reading to you, the benefits are amazing! Over the summer, your child will be required to pick a book and complete a book report.

Students may pick a book of their choice and read it to someone or have someone read it to them. After reading the book, the students will complete the attached book report. The students will draw pictures for each box section of the book report. Parent help may be given when completing the title, author, and name of favorite character. Please bring your completed book report and book that you chose on the first day of school.

Have a great summer, enjoy reading, and we will see you in August!
