

Educational Opportunities • Innovative Solutions • Leadership Excellence

Hello AGS Staff and Families,

My name is Jamie Marullo, and I am the AIU Reading Specialist and Remedial Math teacher at Archangel Gabriel this year. It is my hope that we can collaborate in the most effective way possible in order to advocate for and promote success in our students.

You can find me in the AIU Support room (lower floor down from the cafeteria) every day except Monday & Friday afternoons. Please feel free to stop by or email with any questions or concerns you have as often as you would like. I welcome your input always.

I recently got married this past spring, so you will see a different last name on my email address until the change takes place through HR. I currently reside in Oakmont with my new husband and we are in the process of house hunting. Prior to working for the AIU, I taught Second Grade at two different Catholic Schools for ten years. I am very passionate about Catholic education and am thrilled to be working in the Non-Public Schools Program this year.

Below you will find information on my role as a Reading Specialist and Math Support teacher and contact information. I'm very excited to be here at Archangel Gabriel and look forward to working with you this year! Please don't hesitate to contact me with any questions or concerns. 😊

#### What I do:

- Individual or small group interventions in Reading and/or Math for grades K-8
  - Provide high-quality supplemental instruction and materials that enable students to make academic gains toward grade-level proficiency
- Collaborate with principals, teachers, and parents to maintain open communication regarding the student's progress
- Consults/referrals with principals, teachers, and parents
- Reading and Math diagnostic assessments, inventories, and progress monitoring
