

ROCK THE AUCTION

It is time for the Annual Archangel Gabriel School Auction Night on Friday, November 5th, 2021! The evening consists of Live and Silent Auctions, a Basket Raffle, 50/50 drawing and other assorted raffles and games, as well as appetizers and dinner for the attendees. It is a fun filled night and a wonderful way to socialize with and support our school community. Please join us and enjoy Rock the Auction!

CLASSROOM BASKETS

The Classroom Baskets are a favorite highlight of the event! Each grade contributes a personalized item, basket, and/or donations. With help from parent volunteers, the students create artistic and beautifully crafted projects which auction winners treasure forever. The projects completed by each class are one of the greatest contributions to the Auction!

COORDINATORS

Please help and volunteer to coordinate your child's grade's Auction project. At least one volunteer is needed from each grade. You get to use your creativity and collaborate with the students. There is information and plenty of ideas to get you started, all while earning volunteer hours and helping benefit AGS!

CONTACT US

If you would like to volunteer, please email Susan Sawayda at susan_sawayda1013@yahoo.com and Amy Cavicchia at amycavicchia@gmail.com by September 17. Please indicate which grade's basket you would like to coordinate.
