

St. Helena School Summer Math Assignment 2021

PART 1- Current Families

PART 2- New Families

PART 1-

Dear Current Parents and Students Entering 4th Grade,

Last summer, the student's goal was to complete 100% mastery of Khan Academy for Grades K, 1, and 2. During the 3rd Grade school year, the students have been working on Khan Academy 3rd Grade skills, or catching up on past grades not completed. **This summer, each student's goal is to complete 250 minutes and 100% mastery of Khan Academy 3rd Grade by the end of August.**

However, if 100% mastery of Grades K, 1, and 2 is not complete, please finish this **FIRST** before concentrating on this summer's work. If 100% mastery of K, 1, 2, and 3 is complete, then begin 4th Grade skills.

Good luck,

Ms. Loges, 3rd and 4th Grade Math Teacher

PART 2-

Dear New In-Coming 4th Grade Parents and Students,

This summer, to prepare for 4th Grade, we are incorporating Khan Academy to reinforce math skills. We would like you to join the class!

FIRST-

*Go to [khanacademy.org](https://www.khanacademy.org) and create an account.

*Use your **school or personal email** to sign up so you can **receive alerts and can obtain a password** if it is changed or forgotten.

*Your **username will be your first initial and full last name.**

*Choose a **password you will remember!**

*Login and **click on your name in the upper right hand corner**

*Go to "Profile", then **click on where it says "Coaches"**.

*Where it says, "**Add a Coach**", enter the **Class Code-4CR9NBAP**

*Click on **Join the Class!**

SECOND-

Begin your Summer Assignment- this should be completed by Aug 31st.

*You are to complete a **minimum of 250 minutes** of Khan Academy

*Your goal is to **complete 100% mastery of all grades STARTING Kindergarten and ending with 3rd Grade.**

*Kindergarten and 1st Grade should not take you that long to complete
(If you master 3rd Grade, you may move onto 4th Grade.)

*Once you log in, go to **Subjects** in the Upper Left corner of the page

*Go to **Math By Grade** and click **KINDERGARTEN**

*You will see a page that says **Explore, Practice and Mission**

***Click on Practice** and review all the topics at that level

*Once you review all the topics- **then click on Mission**

***Mission Challenges are quizzes.** Correct answers make your percentages go up! When you ace all the Missions- you reach 100% mastery of that level!

*When you reach **100% mastery of the Kindergarten Level**, then you move onto 1st Grade topics and missions

*When you reach **100% mastery of the 1st Grade Level**, then you move onto 2nd Grade topics and missions

*When you reach **100% mastery of the 2nd Grade Level**, then you move onto 3rd Grade topics and missions

*When you reach **100% mastery of the 3rd Grade**, then you are ready to begin 4th Grade topics and missions for the 1st Day of School!!!

***THIS SUMMER ASSIGNMENT WILL COUNT AS THE 1ST MATH GRADE FOR THE MARKING PERIOD. IF YOU COMPLETE A MINIMUM OF 250 MINUTES, AND 100% MASTERY IN GRADES K, 1, and 2, YOU WILL RECEIVE A SCORE OF 100! (The goal is to complete Grade 3 as well, but I realize this is a challenge since you're beginning with Kindergarten.)**

**I suggest you work five days a week or alternate days- for 15 minutes. Good luck & enjoy your summer! See you at the end of August!*

Lynn Loges
3rd and 4th Grade Math Teacher

Please fill this section out and return it to me either in-person or by email.

I will keep this on file in case students forget their sign-in information.
