November 5, 2020

My dear and beloved people of God,

What a difference a year makes.

Last November, we were all together, filling the pews in our sanctuary and giving thanks to God for our many blessings.

Last year, many of you eagerly completed a pledge card, signed your name and made a gift in support of our Catholic Services Appeal (CSA). God bless you for that.

But this has been a different sort of autumn. Although many among us have not returned to worshiping in person, we are still a community of faith committed to Christ and his work. And despite the pandemic, our ministries still need funding and we have pledge cards for the 2020-2021 CSA stacked and waiting.

While the funds our annual appeal provides to ministries are important every year, they are perhaps even more necessary now. Our diocese overall is experiencing an increased need for those ministries that serve the poor and vulnerable, especially.

**So, I'm asking you to help me do something special.** I want to show how much our parish cares about those in need and prove that we do not need to be gathered in person to make our generosity known. I know our parish can surpass our goal this year because we know how important CSA-funded ministries are and we are not going to let Covid-19 stop us from doing the Lord's work.

Here's how you can donate. Please do me a favor and make your gift today at [www.austindiocese.org/give](http://www.austindiocese.org/give)

Let's inspire everyone with our generosity, right here and right now!

God bless you, and please continue to pray for the continued health of our community.

Gratefully,

Father Uche Obikwelu,  
Pastor
