

8th Grade Chosen: Your Journey Towards Confirmation Log-In Instructions

The log in access code for Chosen is: **4U9SHU** (Each child gets ONE code to use.)

If your child misses a class, they will **need** to log in and watch the videos to complete their make-up work.

To access the videos, you will have to register for the study. Like registering for a Bible study. You will need to first create an account with Ascension Press

To create an account:

1. Go to <https://ascensionpress.com/studies/30758/registrations/new>
2. Click on **“Create an Account”** and fill in *your name, email address, and password*.

To join the study and have access to the *Chosen* Videos:

1. When you are logged in, hover over the box **“Your Dashboard”** in the upper right corner of the screen.
2. Click on **“Join a Study”**.
3. In the center of your screen a blue oval **“REDEEM CODE”**, click on that blue oval
4. Provide the **Registration Code: 4U9SHU** along with **your name and email address and age confirmation**.
5. **Click on the green “REDEEM CODE” button.**
Be sure to only use the invite code once per child (mom and dad need to use the same email to log in with). We only have enough codes for the number of students in the program.
6. Once you confirm the study information, you will be able to view the study.

To log in after you have created your account:

1. Go to: <https://www.ascensionpress.com>
2. After logging in, (you may not have to) hover over the **“Your Dashboard”**, then click on **“Your Studies”** and *Chosen* should come up on your screen.
3. Click on **“view”** and you will access the videos for the program.
4. To find the lesson they need to watch, scroll through the sessions to find the correct session/chapter for the class that they missed. There are usually 3 segments to watch for each session/chapter.

If you have any questions, please do not hesitate to contact me.
