

St. Joseph School
Summer Reading List Grade 4

Each student is required to read four books over the summer. In September, students will be given an assignment incorporating these books. As the students are reading, please have them take some notes on the setting, characters and important details of each book.

Please choose **two** fiction and **two** non-fiction books from the list below. Parents should use their judgment when choosing books that will be enjoyable (not stressful) to their children. Our primary objective is to keep our students reading throughout the summer! Feel free to contact either Fourth Grade teacher with questions.
