

# **St. Ann Parish Needs Our Help!**

**With the cancellation of the FESTA, St. Ann's cash flow coupled with Covid-19 and reduced collections has put the Church and School in a dire situation!**

**Replacement of the main water line for the school building is \$16,000.00 and waterproofing the deck and the brick face repair of the front church porch will cost \$14,000.00. Many other items are needed, but these are the most pressing.**

**Total funds needed are \$30,000.00. The Knights of Columbus have started a fund drive and have donated \$2,000.00. We are asking all other Parishioner's and Friends of the Church and School to make any donation possible directly to St Ann Church at 45 Anderson St, Raritan, NJ 08869 to the attention of Father Thomas Odorizzi.**
