

SAINT JAMES BIBLE STUDY 2020 /2021

Mark: The Gospel through the Eyes of Peter

Long regarded as the authoritative teaching of Peter composed by his follower Mark, this engaging eighteen-week study will examine the compelling introduction to the Christ. See Jesus through the eyes of Peter as he follows Christ as an original disciple. Experience Jesus first as a “worker of mighty deeds” who expels demons and heals the sick, who teaches that the Kingdom of God has arrived in power and learn with Peter why it was necessary for the Christ to suffer. **Due to social distance requirements and Coronavirus concerns, this program will be run virtually.**
