

The Atonement Academy
CATHOLIC + CLASSICAL

March 18, 2020

Good Evening Atonement Academy Families,

Just a quick reminder about Thursday and Friday's scheduled "School Items Handoff." I've attached the schedule that was sent to you on Monday.

Rain has been forecasted for Thursday and Friday, so I ask that you be prepared for additional instructions from faculty and staff upon your arrival.

Lastly, Dr. Tovar will be in the health office if you need to pick up your child's medication(s).

I know you have been inundated with many emails over the last several days. Thank you for your patience and understanding.
