

REOPENING PLAN

MASSES BEGIN- RESERVATIONS REQUIRED

We have begun to celebrate Sunday Mass beginning the weekend of June 13th & 14th. In order to keep our parishioners safe and to allow for social distancing, there will be a limit on the number of parishioners allowed to attend. If you want to attend a weekend Mass, you **must** make a reservation through the Parish Office at 630-257-2414 or through our website. Leaving a voicemail does not guarantee a reservation. **NO walk-ins will be allowed.** Please be aware:

- ◆ Only those who have registered will be able to enter the Church.
- ◆ Everyone will be required to wear a mask.
- ◆ Please arrive 15 minutes prior to the Mass start. No admittance will be allowed once Mass begins.
- ◆ Please follow our Team Members instructions and follow all signs and markings in the Church.
- ◆ If you are unable to attend at your reserved time, we ask that you inform the Parish Office.
- ◆ If you have a cough, a temperature, or are not feeling well, please stay at home.
- ◆ By registering, you acknowledge that you and your family members fulfill the requirements mentioned above.
- ◆ We understand that not everyone is ready or able to return. We will continue to record and upload our Sunday Mass on our website, our Facebook Page, and YouTube Channel.

We look forward to celebrating Mass together again!
