

**Holy Trinity Church Liturgy Committee
Mission Statement**

We, the members of the liturgy committee of Holy Trinity Church, are committed to the faith community in providing full, conscious and active participation of all in the liturgy.

We strive to serve our parish families who seek to worship the god of spirit and truth.

By our reflection of the liturgy and sacramental celebrations that model the church and build up the body of Christ, guided by the Trinity of three persons in one God, we commit ourselves to work together to share the gospel with our community of Holy Trinity.
