Welcome Back!

Hello all and welcome to another exciting season of Sacred Heart Cardinal Athletics! The Cardinals did not know if this season was going to be possible, but with a lot of work from Mr. Marohl and the Sacred Heart Booster Club, along with guidance from the Big 6 Conference, standards and expectations were created to help run a successful volleyball season in the midst of the COVID-19 pandemic.

The Cardinals kicked off the season on September 11 as part of the “Salute to Service Night.” With a limit of two fans per athlete, and the movement of a Veteran Salute to the parking lot to allow for social distancing, the Cardinals and St. James Crusaders thanked our Veterans, while also putting on a fun night of volleyball. The Crusaders found more success on the court, coming away with a sweep against the Cardinals.

On Tuesday, September 15, the Cardinals welcomed the St. Martin Rockets into Sacred Heart. The Cardinals came in with a chip on their shoulder and this proved to be very successful in the end, as all three volleyball teams came away with series victories, including sweeps by the C Team and A Team.

The Cardinals will go on the road this Friday, as Sacred Heart goes to Pilgrim for a night of volleyball against the Crusaders.

- Sit in assigned area of the gym. Watch emails and check gym for signage.
