

Mission Statement

Sacred Heart Catholic School educates our students to witness for themselves and others, the Sacred Heart of Jesus. Therefore let us work cooperatively to ensure the optimum academic, spiritual, physical and social growth of every student.

The **Sacred Heart School Board** is an advisory board comprised of nine members. The Board assists in making policy in accordance with the Green Bay Diocese. The board is accountable to the parish community through the Sacred Heart Pastoral Council. The School Board interprets, implements, and acquires a working knowledge of policies and creates parish educational policy according to local need. The board is also responsible for creating support and understanding of Catholic education in our community.

Interested in participating or becoming a board member?

The **Sacred Heart School Board** has two seats open that were previously filled by Pastoral Council representatives. We have amended the constitution and those two seats are now able to be filled by traditional School Board members.

Board members are selected from the registered adult members of the parish, with the exception of employees of the parish's education community and their immediate family members. The pastor must approve all candidates. Members may serve no more than two consecutive three year terms. Qualities and duties of a School Board member include, confidentiality, mutual support, participation, shared decision making and consensus, engage in self evaluation, and spiritual growth as a board member and as an individual.
