## A Trophy for Cardinals A- Team!

The Sacred Heart Cardinals **A-team volleyball** players took **3rd place** in the 1st Annual Volleyball Invitational Tournament the weekend of September 24-25. The tournament included a total of eight teams!

We are very proud of these amazing young ladies for digging deep and working so hard those two days! All of the teams did so great and played with their whole heart.

Our Cardinals represented Sacred Heart and showed their Cardinal Pride. Congrats to these awesome girls and their fabulous coaches, Nikki Yeager and Kim Mitchell. Thank you to Mr. Marohl for organizing this fabulous tournament and the great volunteers that helped out all weekend.

## YOU CAN'T HIDE THAT CARDINAL PRIDE!

On September 27 the **fantastic 4th graders in Miss S's class** had a multi-step math lesson. They had to budget to 'purchase' supplies from their teacher to build a pom pom launcher, then build their own launcher using the toilet paper rolls, popsicle sticks, tape, plastic spoons, string, rubber bands, and paper they had purchased. They finally got to launch their pom pom in the gymnasium using the launcher they constructed. After they launched their pom pom they needed to record the length in three separate trials using a meter stick. This hands on, cross curricular lesson is such a great example of how students are so engaged in their learning at Sacred Heart. Great job Cardinals!
