Sacred Heart Catholic School is excited to remind you that we are a part of the Wisconsin Private School Choice Program. The state of Wisconsin has three separate programs that allow eligible students to attend a participating private school (like Sacred Heart) in grades four-year-old kindergarten (4K) to 12. The private school, on behalf of the student's parent or guardian, receives a state aid payment for each eligible student.

Parents/guardians who want a faith-filled, academically challenging educational experience for their child/children, but may not be able to financially afford a tuition payment, now have the CHOICE to gift their child/children with a great education at Sacred Heart Catholic School! Through this program the State of Wisconsin pays for each CHOICE student's tuition, field trip costs, and school supplies. (Most students who qualify for Choice ALSO receive FREE meals through the Food Service Program). Once a student is accepted into the CHOICE program his/her costs are covered in full through the child's 8th grade year at Sacred Heart and through 12th grade at accepted private high schools! What an amazing blessing and gift!

WPCP (Wisconsin Private School Choice Program) Income Limits
220% of the Federal Poverty Level for 2020-21

Family Size and Maximum Yearly Income*

1	\$28,478
2	\$37,928
3	\$47,784
4	\$57,640
5	\$67,496
6	\$77,352

*For each additional member add \$9,856

For the 2020-21 school year, the family income of a student new to the WPCP must be at or below the amount listed in the table above for the program the student is applying. All students must apply each year at dpi.wi.gov/choice.

*If a student is continuing (already received a voucher for the previous year) or was on the choice waiting list the prior year, he or she does not need to meet the new income limits, but does need to go to the above website and ACCEPT the voucher for the new school year.

Family income includes the income of the student's parent(s)/legal guardian(s) that reside in the same household as the student applicant. If the student's parent(s)/legal guardians that reside in the same household are married, their income is reduced by \$7,000 when determining income eligibility for the program (i.e. married family income minus \$7,000 is the income amount married families compare to the tables below). Family size includes parents/legal guardians and their children by birth, marriage or adoption that reside in the same household as the student applicant.
