PASTOR'S NOTE

Pastor's News Network (PNN): Besides the fact that we are counting all in attendance at Masses this weekend and next weekend per diocesan standards, I just would like to share with you a few local and universal headlines.

Meet The Five New Saints Canonized! From AmericaMagazine.org: Pope Francis declared England's Cardinal John Henry Newman (1801-1890) and four women saints at the beginning of a festive Mass in St. Peter's Square, October 13, attended by 50,000 people from all continents. The four women are: Italy's Giuseppina Vannini (1859-1911), founder of the Daughters of Saint Camillus; India's Mariam Thresia Chiramel Mankidiyan (1876-1926), founder of the Congregation of the Sisters of the Holy Family; Brazil's Sister Dulce Lopes Pontes (1914-1992); and Switzerland's Margherita Bays (1815-1879), a laywoman. The first three spent their lives working for the poor. The last lived her life in service to all as a single woman professed secular Franciscan. She also experienced a healing of bowel cancer during her life. Newman wrote a major work on the development of doctrine and contributed greatly to the Church's understanding of that area of theology. The canonization took place at the beginning of a sung Latin open-air Mass.

Music Teacher and Organist FOUND! What a quick turnaround! It was actually a few months of agonizing search, but welcome to St. Mary School Rachel Blenman-Caldwell!!!! We are excited to have you as our music teacher!!! We also will welcome a new St. Mary organist who has been found but who has asked us to keep their name quiet until we get closer to Christmas.

Stewardship Appeal Follow-up to Continue through November. In addition to some very fruitful conversations I have had with coordinators of various groups and ministries, it is clear that the lofty goal of getting all interested people contacted and to a gathering within one month's time was too much too quick. Part of this was due to the terrific response! Therefore, please be patient as calls continue to be made and meetings scheduled into November. You are always welcome to approach any one of the groups at any time about joining.

Trying to get a bus company on Thanksgiving. If you know someone who has access to a busing company, we are trying to bus in the people who need a Thanksgiving meal on Thanksgiving morning. The meal will once again be staffed and provided by our Hot Meal's leaders and St. Ambrose church. METRO is supposed to be closed on Thanksgiving due to their collective bargaining agreements and it seems they aren't able to be open that day. Help how and if you can. Stay close to heat and close to God!

- Father Chris

ST. MARY SCHOOL NEWS

3rd and 4th Grade

The students in Third and Fourth Grade at St. Mary School have had a very busy start to the school year.

Both classes welcomed autumn by visiting Beckwith's apple orchard. Students had an awesome time learning about how apples are grown, picked, and sorted. While tasting apples, we learned that different varieties of apples taste different from one another and apple cider is very tasty!

Currently in class, the students are working on their writing skills. Third Grade has started working on learning how to write in cursive; while the Fourth Grade is trying very hard to write all their assignments neatly in cursive. Both grades are striving to improve their paragraphs and how to defend their opinions in writing.

Students are looking forward to leading the school community in prayer this month. Fourth Grade will be reading at Mass and later this month, the Third Grade will be leading us in prayer at a service honoring our Blessed Mother and the Rosary.

Third and Fourth Graders, along with their teachers, are hopeful that the rest of the school year continues as successfully as the beginning.
