

SAINT JAMES SCHOOL

Christ-Centered Academic Excellence

December 15, 2020

Dear SJS Families, Faculty and Staff,

As we enter the final stretch of the year and families come together for the Christmas and New Year holidays, Monsignor Cronin and I want to ensure that we are doing everything we can to keep our students, faculty, and staff as safe as possible. Therefore, we have decided to switch to a **virtual learning schedule for the week of Monday, January 4 through Friday, January 8, 2021.**

I want to thank you all for your continued diligence in keeping your children home when they are not feeling well and supporting everything we are trying to do here at Saint James School. I hope you will continue to curtail social activities and follow the CDC and state guidelines as we go forward. Together, we can keep everyone safe!

As in the first week of December, our students will continue to receive the best education and support from their fabulous teachers. Next week, our students will be sent home with the books and resources necessary for a successful week of learning. As always, we expect our students to attend their classes according to their teachers' schedules, participate in class discussions, and complete all assigned work. If you need a device for your child to use, please contact Mrs. Ellen Corcoran (ecorcoran@sjsbr.org) to secure one for your child. Students in grades 5-8 will bring their Chromebooks home with them.

Please see the school website for the virtual learning plan and schedules. We appreciate your support and understanding in this matter.

Mrs. Suzanne Florendo
